ACTIVITIES, LEARNING AND RESOURCES TO SHARE

The activity desk.

Latest first / Illustrative updates

19 OCT

PROJECTS / THOLKUDI

Oral histories, organised with their context

Example field update: recordings are being catalogued with language and speaker context. Transcription review comes next.

• Ongoing Photo story

19 OCT

W2M ACADEMY / COURSE

Field methods foundations

A learning cohort exploring listening, planning and documentation practice.

• Ongoing Course

19 OCT

EVENTS / EVENT

Language & archive working week

A multi-day exchange connecting community knowledge, archives and research.

• Ongoing Event

18 OCT

PROJECTS / THOLKUDI

Why context belongs beside every recording

A short demonstration narration shows how an audio update could introduce archival work, with a transcript alongside it.

• Ongoing Audio + transcript

17 OCT

PROJECTS / PROJECT KAILASH

Preparing language resources for community review

Example research update: annotation and metadata checks help prepare a resource for review before it is shared.

• Ongoing Project note

There's room for your perspective.

Make a connection. Start something together.
